Description

Genuine French 10 arm Gilded Brass & Crystal Birdcage Chandelier dating from around 1910-1920. This chandelier is of particular good quality with elegantly shaped cage and arms closer together than most others giving it such a luxury look. The chandelier is dressed with approximately 90 original large hand-cut antique crystals with high lead content (34-38%, typical of this period, as apposed to 15-24% modern crystals), measuring approx 6x4cm / 2.25x1.5in and giving out such a beautiful and dazzling array of coloured reflections. A large original hand cut crystal ball suspends at the bottom. The chandelier has 10 arms each with 1 bulb; 1 bulb located at the bottom centre of the birdcage; providing 11 bulbs in total. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without losing the patina. This chandelier has been professionally rewired and restored to the highest standard using only the best components, ready for immediate installation. MEASUREMENTS (all approximately): Height/Drop (including the crystals, but no chain) = 81cm / 32in Diameter = 55cm / 21.5...
