## Description

Genuine French 6 arm Gilded Brass & Crystal Birdcage Chandelier dating from around 1910-1920. The chandelier is dressed with approximately 67 original large hand-cut antique crystals with high lead content (34-38%, typical of this period, as apposed to 15-24% modern crystals) measuring app 8x5.5cm / 3.5x2in (long x widest point), which give you such a beautiful and dazzling array of coloured reflections. A large hand cut crystal ball suspends from the bottom. The chandelier has 6 arms each holding 1 bulb; providing 6 bulbs in total. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without loosing the patina. This chandelier has been professionally rewired and restored to the highest standard using only the best components, ready for immediate installation.
