Description

Genuine French 18 arm Gilded Brass & Crystal Birdcage Chandelier dating from around 1910-1920. This chandelier is dressed with approximately 180 original large hand-cut antique crystals with high lead content (34-38%, typical of this period, as apposed to 15-24% modern crystals), measuring approx. 9x6cm / 3.5x2.5in and some 8x5cm / 3x2in and giving out such a beautiful and dazzling array of coloured reflections. A large hand cut crystal ball suspends from the bottom. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without loosing the patina. The chandelier has 12 large arms each with 1 bulb; 6 smaller arms with 1 bulb and 1 bulb located at the bottom centre of the birdcage; providing 19 bulbs in total. This chandelier has been professionally rewired and restored to the highest standard using only the best components, ready for immediate installation. MEASUREMENTS (all approximately): Height/Drop (including the crystals, but no chain) = 87cm / 34in Diameter = 76cm / 30in Weight = 23kg Hanging metal chain: 100cm/40in Ceiling Rose included.
