Description

Mid 19th.c. Anglesey dresser and full set of Asiatic pheasant pattern plates c.1860. Oak and mahogany dresser with original rack for four graduated rows of plates over a breakfront cupboard base with three drawers and two doors (the centre drawers being dummy fronts). Flared oak cornice above a mahogany canopy with turned roundels with shaped mahogany dresser sides. The mahogany drawer fronts with bone escutcheons, faux columns, knobs and shaped apron between the feet are all vernacular details typical of Anglesey dressers of this period. Excellent condition, original throughout. The plates are included in the price, they were purchased with the dresser and have been together for many many years. Dimensions: width 70", depth 22", height 82".
