Edwardian walnut small extending dining table

Price

Sold**Item Reference: SA387277****Date of manufacture: Edwardian**

Description

Edwardian walnut extending dining table of good small size and 1 leaf insertion. This solid walnut dining table is of a great size that would fit into any dining room. The table has a telescopic wind-out mechanism that is extended with a handle. The table when closed is square. The extending table has a lovely fluted and turned leg to each corner that finish on its original china castors. This table can be used with or without its leaf insertion. 149cms long (58 1/2ins) 106cms closed (41 1/2ins) 73cms high (28 1/2ins) 106cms wide (41 1/2ins)
