

SA387413

Pair of Crystal Purse Chandeliers

Price

Sold**Item Reference: SA387413****Date of manufacture: 1950**

Description

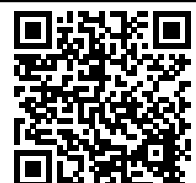

A strikingly attractive matched pair of crystal glass chandeliers, made in the mid 20th century and just removed from an apartment, cleaned and ready to hang. Topped by a glass bowl above a gilt brass bell top, cascading down to a central gilt brass ring, the purse crystals of faceted stones and bars terminate in a large round crystal at the base. One has two small crystals missing from one of the strands but otherwise they are complete. Size: Diameter - 12" (31cms) Drop from the bowl to bottom crystal - 22" (56cms) Drop from the ceiling to bowl adjustable depending on the length of the chain.

Internal Ref: 30405
