Description

Very attractive 1930s Art Deco chrome table lamp in the form of a stylized swan. The chrome arm that sweeps over the swan represents a flower head with soft frosted pink glass petals. This really is a wonderful lamp and the condition is excellent, there's little to no wear at all to the chrome. It's as bright and crisp as when first manufactured, not bad for 80 old years old we think! Ideal for a desk, dressing table, hall table or perhaps bedside cabinet.
