Description

Wonderful and totally authentic French advertising mannequin. Manufactured from the 1930's through to the 40's! Ideal for dressing tables to glam them up, can display hats and jewellery or just display her as she is. These mannequins are ideal for the collector or just as a figure to display. Made from Plaster this figure is deceptively heavy and very sturdy. Her condition is excellent, with just the odd blip here otherwise she's aged very gracefully.
