Description

A beautiful dressing table pot. The base of the pot is hobnail design cut glass in a lovely elongated oval shape. The lid is solid silver and the relief design is unusual with lovely willowy daffodils adorning the surface. The glass base has three very minor chips to the glass (noticeable by running ones figure around the top). The silver lid is very slightly bent along one edge (hardly noticeable and mentioned for accuracy purposes). Hallmarks and maker's marks are visible in the very centre of the silver lid. Hallmarks: Birmingham 1904 Maker's Mark: H.H Weight: 145g approx. Dimensions: 14.09cm x 4.24cm approx
