Description

This is a super antique Georgian hallmarked solid sterling silver wine funnel measuring 6" (15 cms) tall x 3 1/4" (8.5 cms) across the cup with the stand measuring 4" (10 cms) across. It's very unusual to find the funnel, sieve and stand all with matching hallmarks and matching armorial crests. All three items are in great condition with no damage (any marks you can see in the photos are just reflections) and are hallmarked for London 1811 with the silversmiths mark for Peter & William Bateman. The three bits weigh 221 grams and would make a great addition to any collection. Free worldwide fully insured shipping included in the price.
