Description

A really fabulous and most unusual desk or counter bell, a really impressive bell. The Oak plinth is supported by the four original little brass feet. A strike to the top produces a pleasant but authoritative ring. Dating to around 1890, it remains in excellent condition having been professionally re-polished to gleam. The wooden plinth measures 6" x 3 1/4" and the bell stands 8 1/2" tall. Item ID:37198 FREE Worldwide Registered Airmail Directly from London, England
