Pair of Antique Swedish Mahogany Armchairs

Price

Sold**Item Reference: SA389404****Date of manufacture: 1890**

Description

This pair of antique mahogany upholstered armchairs are very comfortable, with generous proportions & a great shape. They are Chippendale style, with claw & ball feet, plus a pierced carving going around the bottom edge. I have just had the frames polished, then had them re-upholstered & the cushions have been remade using feathers inside. I would say they date from around the 1890's period. Please enlarge all the images to see all the fine details & carvings. Width - 30.3", 77 cm Depth - 30.3", 77 cm Height - 33.5", 85 cm Seat height - 16.5", 42 cm
