Description

Stunning very large antique early 20th century African bronze Ashanti tribal gold pot, c 1920 . This is a large and very heavy example and is a very good quality casting using the traditional lost wax tribal method. It has great decoration to the body and lid .The colour/patina is excellent and overall condition is good with only very minor age related surface wear and the usual casting marks associated with old tribal pieces. It has a great tribal look and is a real statement piece.Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: 40 cm tall x 17 cm wide . I will happily ship worldwide.
