Description

Two very nice Bedside cabinets by Waring and Gillows, I think these were made to be together though the veneer on the top of one is quartered and the other is sun burst, the carving is the same, one is free standing and polished all the way round the other is not polished on the back so goes to the wall. the condition is superb on this pair of cabinets. circa 1920 dimensions. width, 62cms depth, 36cms. height, 72cms
