Description

19th Century Oak Compactum, Wardrobe, Chest of Drawers, Hall Cupboard This is a very useful piece, the very attractive front has arched panelled doors and geometric moulded decoration to the drawer fronts all with brass fittings. There is a tall hanging robe on the left with a brass hanging rail and hooks, on the right we have a 2 over 3 chest of drawers beneath 2 shelved cupboards, the whole piece stands on a bun footed plinth and it has a shallow cornice to the flat top The Wardrobe is in very good condition, however the drawers have at some time in the past been remade so though sound and usable they are not 100% authentic The Compactum would make a good all round piece for a bedroom/study or an excellent hall cupboard it is 66" high, 63" wide and 25" deep MG185 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
