Description

Attention all novelty or miniature collectors! This is a fabulous novelty English sterling silver miniature chamber stick with a full hallmark for London 1891. The makers initials J B are present, I believe for the silversmith, James Barber. It is unsure if this was made purely as a novelty or miniature collectible or indeed used as a go to bed or like with a tiny taper. Excellent condition, measuring 2 1/8" in diameter including the little circular handle x 1 1/2" tall. Item ID:37223 FREE Worldwide Registered Airmail Directly from London, England
