Description

This is a super antique Georgian hallmarked solid sterling silver mustard pot complete with liner and spoon measuring 2" (5 cms) high x 4" (10 cms) across including the handle. It's hallmarked for London 1829 with the silversmiths mark for Abstinando King and the spoon is also hallmarked but for 1837 so probably isn't original to the pot. The pot and spoon without liner weighs 135.5 grams. There is an armorial crest on the lid of the pot and the whole thing is in super condition and perfectly usable today. Free worldwide fully insured shipping included in the price.
