Description

This very impressive antique Georgian mahogany chest on chest is in good condition throughout & still retains all the original handles, escutcheons & locks. There is a dental moulding running around the top edge below the cornice. The top section has reeded canted corners, there is a brushing slide in the middle & It sits on very bold shaped bracket feet. This piece dates from around the 1790's period & possible a bit earlier. All the drawers work well & it separates into two sections for easier transportation. However, each section is still very heavy. This fine quality item of furniture has just been re-polished to a high standard. Width - 44.5", 113 cm Depth - 23", 59 cm Height - 76", 193 cm
