Description

This is an absolutely superb set of 4 antique Victorian sterling silver candlesticks each measuring 6" (15 cms) high with the bases measuring 3 1/4" (8 cms) square. The candlesticks are hallmarked for London 1890 with the silversmiths mark for Richard Martin & Ebenezer Hall - all four sconces have bold matching hallmarks but one of the candlesticks is rubbed and you can no longer see the hallmark though it does still show the matching registered mark. They have green baize underneath, have filled bases and they weigh a total of 1515 grams. It's unusual to find a matching set of four in such good condition. Free worldwide fully insured shipping included in the price.
