Description

A Large Vintage Canvas Steamer Trunk. A very useful decorative suitcase or travel trunk, it is lined in a lightly striped fabric with leather carrying handles, and would make a good eye catcher for shop display, or home storage, with a piece of plate glass on top it would make a great coffee table. The Trunk is covered with green canvas, it has beech strapping and shiny brass fittings; it is sturdy, the catches work, and the linings are clean, and it even has its original tray inset. The trunk is 34" wide, 21" deep and 21" high SR129. We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk.
