Description

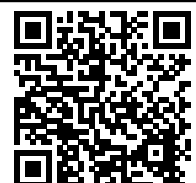

Circa 1910-1940 this is a fine quality crystal glass chandelier. It has all the original glass candle cups and candle holders. Loops of glass drops hang from the dome at the top and large crystal drops are fitted between the loops, and they match those lower down. The shape of the candle cups reflects the design of the bowl in the centre, and have drops all around. All of the drops are original, and complete. The chandelier measures approximately 64cm in length, and 51cm across, and it has been totally rewired to UK specifications, and fitted with new candle tubes. We can supply a chrome ceiling hook if required. It is extremely hard to photograph glass lights, especially to show the quality and elegance of a chandelier like this, so we darkened the background in the images to highlight the details. The chandelier can be viewed in Surrey by appointment as we no longer trade through a retail outlet. If the buyer can arrange collection from us we will pack the item up and offer a discount on the price. Alternatively, we would suggest courier delivery for the UK mainland, and for other areas and abroad, please contact us to discuss delivery. Please contact u...
