Description

This antique Edwardian mahogany card table can just be used as a side table & pulled out for use as a card table when needed. It's very fine quality, in good original condition & is baize lined inside. I think the baize is original & it is a bit worn & marked. However, it could be renewed. This table sits on elegant tapered legs, with shaped feet. The two back legs swing out to support the playing surface when opened. It's in good structural condition & has just been polished. Width - 30.3", 77 cm Depth - 15", 38 cm Height - 29.5, 75 cm
