19th Century Wooden Decoy Duck

Price

Sold**Item Reference: SA392618****Date of manufacture: 19th Century**

Dimensions

Height = 13.97 cm (5.5")

Width = 26.6701 cm (10.5")

Description

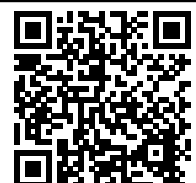

This antique wooden decoy mallard is well carved and painted in naturalistic colours. He is adorable and too cute to be left outside as a decoy! The marks and blemishes are minor and reflect his distinguished career in the field. After a life of active service, he is looking forward to retiring to the comfort of a shelf in a cosy room. Length: 10"(27cm) Height: 5.5"(14cm)

Internal Ref: D163
