Description

Professionally serviced with a 12 month warranty. The 15 jewel manual wind watch movement is made by the premier Swiss watch maker Vertex, as you can see it is in fabulous condition. The enamel sub seconds dial is quite superb with no chips or cracks, the hands are original and in near mint condition. A new glass fitted and the slimline case professionally cleaned and polished so it is absolutely pristine. As you would expect the watch is fully marked on the dial, movement and case is hallmarked. Vertex are one of the most exclusive Swiss makers and this pocket watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding near mint condition, it looks as if it was rarely worn, it would make the perfect gift for any man. There is an inscription to the inside of the case but this does not detract from the watch at all. The watch has just been fully overhauled and serviced by the highly respected watch specialist Alan Williams FBHI. It has been fully authenticated and found to be a genuine Vertex in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous The watc...
