Description

A stunning and most unusual Jewelry box made from Rosewood and dating to the Regency period, around 1820. What makes this a special treat, is the stunning decoration created by a series of cut brass stars to create the most showy piece. The box opens to reveal the original interior to the lid, the border made from gold tooled leather surrounding a yellow silk panel. The rest of the box has been re-lined with a hand-marbled paper, perfectly in keeping and creating a clean, fresh interior ready for use. Excellent condition with a working key. 9 3/4" x 6 3/4" x 3 3/4" tall. Item ID:37260 FREE Worldwide Registered Airmail Directly from London, England
