Description

This is a wonderful example of a gents watch made by the premier Swiss maker Longines. The calibre 285 17 jewel manual wind movement has been totally overhauled and fully serviced and is just superb. The serial number on the movement dates this precisely to 1959. The heavy case is of solid 18ct rose gold and is classed as an oversize measuring 31mm square. The original dial has not been retouched or restored in any way and is in mint condition. It has the Longines name on the winding crown and a new glass has been fitted. It comes complete with a new premium quality black leather strap. It has been professionally serviced and overhauled by Alan Williams FBHI, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cas...
