Description

Early 19th century Georgian large size brass bound teak campaign box. The box is fully brass bound all round and has been made from nicely grained teak. The hinges and lock are all original. The brass swan neck side handles are also original. Inside is baize lined and looks like it has originally had a lift out tray, probably for silver. Has that look of being very well travelled. Lovely colour and patination. SIZE; 20" by 15" by 15 1/2" high
