Description

One of the nicest George III mahogany whatnots I've seen. Good three tier whatnot with three drawers at each level plus a fully adjustable lift up top. The whatnot stands on nicely turned legs with original brass castors. Between each level are very nicely turned uprights. There are two drawers to the front with original wooden knobs, the third drawer at the top opens from the right hand side and is fully fitted with ink bottles and a pen holder etc. The top section has its original leather insert with a small mahogany ledge to the front and is fully adjustable to any angle via a ratchet mechanism underneath. The piece is in very good clean condition and is a lovely colour. SIZE; 23" wide by 18" deep by 45" high
