Description

A 1920s silver pocket watch, Meyer & Studeli. The watch has a Swiss jewelled stem-winding movement which is working nicely. It is protected by an inner hinged cover. The watch measures 46mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside both case backs for Glasgow (import mark), 1924 with a maker's mark of M&S for Meyer & Studeli who went onto produce Roamer watches. The case is in good condition with just a couple of small indentations to the back. The watch glass is in good condition. The dial has charming Art Deco with vertical patterning and stylised raised numbers. The watch has gold coloured hands. Price includes worldwide postage.
