Description

Circa 1910-1940 an oak humidor with two sliding compartments at the bottom with little brass knobs and two brass Shamrocks or clover flowers - (see photos 1 and 4). Possibly Irish? The three grids on the top are brass and around the box are brass escutcheons. The box measures 29.5 in length; it is 15cm wide and 15.5cm in height. It is missing it's key, but otherwise a pretty rustic box, for keepsakes. Postage and packing within the UK mainland only is included in the price, for outside areas or abroad please contact us for a delivery quote.
