## Description

A 1920s Cyma pocket watch and chain. The watch has a Swiss stem-winding movement which is working well. The movement is signed Cyma, 7 jewels, Swiss made. The movement is protected by an inner hinged dust cover. The watch measures 49mm diameter excluding the winding stem and the loop. The nickel case is in nice condition with only light marks from use. The plastic watch lens is in nice condition. The enamel dial looks good to the naked eye there is a very faint hairline crack but it is not very noticeable to the naked eye. The watch has blued steel hands. The watch comes on a vintage nickel chain which measures 32 cm including the clasp and clip. Price includes worldwide postage.
