Description

Beautiful design Victorian period French silver wine taster. Round body with hand chased fluted and ball decoration. Cast snake design handle. It is marked but it is hard to see, it looks like a Paris mark to me. There is also a slightly rubbed owner or makers name on one side. There is a small silver solder repair inside. The funny mark to the base in the photos is not damage, just a reflection. SIZE; 3 1/4" diameter. 1 1/4" high
