Description

This Antique oak carved chair was The Mayor of Baths chair during the 1900s. It was purchased from Bath City Council, The Guildhall, Bath in 1971. I believe the chair dates from the middle 1800s. It measures; height 47"/119.5cm, depth 24"/61cm, and width 27"/69cm. It has been reupholstered at some stage of its life in a Sanderson material. An impressive large carved armchair.
