Dimensions

Height = 53 cm (20.9")

Width = 27 cm (10.6")

Depth = 27 cm (10.6")

Description

Circa 1920-1940 a six sided ornate brass hall lantern with three plain glass panels and three with a large etched stars in the middle of the glass. The lantern measures 53cm in length; approximately 26.5cm across in width and the glass panels are 30cm (including the brass borders) by 14cm across. The lantern was rewired by the previous owner and takes two small lightbulbs; it will need to be checked by an electrician before installation. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote. If the buyer can arrange a courier to pick up from us in SW20 or in the Esher area of Surrey, we will offer a 20% discount on the price.
