Description

RETIREMENT SALE. 35% OFF. WAS £9500. NOW £6175. A rare and superior antique set of three 3 nesting tables attributed to Gillow of Lancaster. This nest of 19th century regency Georgian satinwood tables are superb quality and are much heavier and sturdier than many of their counterparts. Ideal as a set of coffee sofa wine lamp side occasional low tea writing table. This piece of furniture has been sympathetically restored by qualified and professional restorers so all the joints are structurally sound and the whole polished to a rich satinwood colour whilst retaining a wonderful original patina. The top table has a few marks consistent with age and the cabriole leg has had the odd crack which has been glued and filled otherwise in excellent condition. Circa 1825. Measure 14"w x 13"d x 27"h(smallest) 20"w x 15"d x 28"h(largest)
