Description

About as charming as they come, this English Victorian Inkwell is ready to grace the finest of desk-tops. Made from polished brass, the spherical inkwell is supported by three wonderfully cast brass Rabbits or Hares. The lid fits well and once opened reveals the original removable liner still intact. Dating to around 1880, it remains in excellent condition having been professionally cleaned by our silversmith. The base diameter measures 5 1/4" and stands 5 1/2" tall.
