Description

A 19th Century Camphor Wood Campaign Chest, Cutlery Canteen. This is a beautiful looking and fine quality camphor wood Campaign chest, the interior shows signs of the old green base that has been removed, this is because it was probably a cutlery canteen in a past life. The Chest has a half fall front and a sliding removable tray, it has campaign style brass bound corners and edges and brass carrying handles. This is an attractive piece with a good rich colour, it is in good condition no worm or any other defects part from age related wear and the lock does not work, but the lid has small pegs which hold it closed. The box measures 25" wide x 14" deep and stands 10" high SR168 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary according to your location.
