Description

Genuine French 9 arm Gilded Brass Chandelier dating from around c1900. Extremely ornate and high quality and would have been a very costly purchase at the time. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without losing the patina. The chandelier has 9 arms each with 1 rose petal frosted glass shade and 1 bulb; providing 9 bulbs in total. This chandelier has been professionally rewired and restored to the highest standard using only the best components, and ready for immediate installation. The visible wire is 3 core braided woven silk flex cable in a colour that matches the chandelier frame. So if you need to hang the chandelier with a long drop, the cable can be wrapped around the hanging chain neatly and looks aesthetically pleasing. MEASUREMENTS (all approximately) Wire at the top of the chandelier = 140cm/55in (this could be extended or shortened). Height/Drop (no chain) = 64cm / 25in Diameter = 82cm / 32in Weight = 14kg Accessories: Solid metal chain and cast brass ceiling rose. DELIVERY / COLLECTION Delivery for this chandelier would be ...
