Description

Superb French winter landscape dating from around 1940 mounted in an attractive wooden frame of the period. The oil on board is signed but it is difficult to decipher. The painting is in excellent condition and the frame is in good condition, however there are a few minor restorations which are not noticeable. This is a lovely painting in which the artist has used subtle soft tones. Dimensions: 35 x 27 cms 47 x 39 cms with frame
