## Description

A Victorian Golden Oak Pedestal Sideboard This is good classic Victorian piece made with attractive Golden Oak, each of the pedestals has a panelled door with a geometric and rose carving and a concealed interior drawer, one contains a cellaret the other has slides. The counter top has a deep moulded edge and there is a centre drawer, which also has carving to match the door panels. The dresser is in good condition for its age with only minor flaws to the finish, there is evidence that it would have had a mirror at the back originally. This is a large piece but it does break down for transportation, it is 79" long, 37" high and 24" deep NY53 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at [www.elmgarden.co.uk](http://www.elmgarden.co.uk).
