

SA398832

Large Antique Crystal Chandelier Fully Restored

Price

Sold**Item Reference: SA398832****Date of manufacture: 1910**

Description

Genuine Gilt Brass & Crystal Chandelier dating from around 1900-1910. The chandelier is dressed with over 200 original large hand-cut antique crystals with high lead content (34-38%, typical of this period, as opposed to 15-24% modern crystals) measuring app 8x5.5cm / 3.5x2in (long x widest point), which give you such a beautiful and dazzling array of coloured reflections. A large hand cut crystal ball suspends from the bottom. The chandelier has 30 arms. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without losing the patina. This chandelier has been professionally rewired and restored to the highest standard using only the best components, ready for immediate installation. MEASUREMENTS (all approximately): Wire at the top of the chandelier = 1.7 m / 67 in (this could be extended or shortened). Height/Drop (including the crystals, but no chain) = 71cm / 28in. Diameter = 61cm / 24in. Weight = 24kg. Hanging metal chain: 100cm/40in. Ceiling Rose included. Salvaged antique chandeliers rarely come with their original hanging chain and ceiling rose intact....
