Price

Sold**Item Reference: SA399198****Date of manufacture: 1950**

Description

Gents Omega Seamaster wrist watch. The watch has a calibre 491 automatic movement which is working well. The movement is signed with the Omega name 15,166,990 which dates it back to 1956. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition with just a small knock to the side. The winding crown has the Omega logo. The inside of the snap-on case back has the Omega logo and also the case reference of 2848 which is correct for the 491 movement. The watch lens is in good condition and has the small clear Omega logo to the centre. The dial is in its original finish, there is some marking mainly between 9 and 11. Original dauphine hands with some marking, subsidiary seconds dial and outer minute markers. A new brown leather strap has been fitted. The watch comes in a new non-Omega presentation box. PRICE INCLUDES WORLDWIDE POSTAGE
