

SA399323

Antique Brown Leather Holdall Luggage

Price

Sold**Item Reference: SA399323****Date of manufacture: 1920**

Description

An Antique leather holdall, early 20th Century, the thick hide is riveted on each end, closing with three straps and buckles at the front and top carrying handle. The interior has two compartments. A very heavy-duty hide holdall, possibly originally a vet's or doctor's bag. It has been well used but has no leather rot, all the straps and the top handle are in good, solid condition. H: 26cm (10.2") W: 43cm (16.9") D: 21cm (8.3")
