Date of manufacture: 1920

Description

A 1920s Bore pocket watch with 24 hour dial. The watch has a Swiss hand-winding movement which is working nicely. It is protected by an inner hinged cover. The watch measures 49mm diameter excluding the winding stem and the loop. The case is nickel plated, the front is in good condition and the back has three indentations. The watch glass has a couple of fairly minor marks. The dial has bold Arabic numbers, typical of the 1920s style, and an outer ring for 24 hours. The blued steel hands are a particularly handsome shape. PRICE INCLUDES WORLDWIDE POSTAGE
