Description

This is a super pair of antique solid sterling silver toast racks each measuring 3 1/2" (9 cms) x 2 1/4" (6 cms) x 5" (13 cms) high to the top of the handles. They have matching hallmarks for Sheffield 1929 with the silversmiths mark for Henry Atkin. They are particularly nice as the racks are on the sides and it's also nice to have a pair. They weigh 233.5 grams the pair, are in excellent condition and would also make a great pair of letter racks. Please note that worldwide shipping is free and all parcels are sent via fully insured signed for/tracked delivery.
