Description

A vintage 1920s Pinnacle full hunter pocket watch. The watch has a Swiss stem-winding movement which is working well. The movement is stamped Pinnacle, 7 jewels, Swiss made. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the Dennison Watch Case Company. The case has light surface marks from use and some wear to the outer edge although very acceptable for a 1920s piece. The watch lens is plastic and is in nice condition. The watch has an enamel dial Pinnacle. The dial has a faint hairline cracks between 9 & 10 o'clock although hardly noticeable but otherwise it is in nice condition. The watch has blued steel hands.
