## 18th Century Oak Panel Coffe

Price

**Sold**

**Item Reference: SA400544**

**Date of manufacture:**

## Description

A Georgian oak coffer, mid 18th Century, with three panel front and top, the sides with two panels. The coffer has a well-lived in look and has replacement 19th Century hinges to the outside of the top, traces of old worm damage and a replacement bottom. It would originally have had slightly longer feet. The lock is original but no lock plate or key. 128cm long x 58.5cm high x 52cm diam.
