Description

A large, fully fitted and very good quality early 19th century solid mahogany APOTHECARY'S or MEDICINE CHEST in wonderful condition. This superb chest is of heavy Cuban mahogany, with recessed military-style brass handles to the top and lower front drawer. The twin doors open to reveal the full set of bottles and jars, all with labels and some with original contents. The small drawers within conceal scales; weights; pestle and mortar; further small bottles and various measuring jars. To the rear is the "hidden" compartment containing the full set of five large bottles for poisons. An exciting and splendid example.
