Description

A 1920s pocket watch originally retailed in Sweden. The watch has a stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The nickel case is in good condition, just a small slight indentation to the back. The watch glass is in good order. The white enamel dial has the initials SUAB which stands for Sveriges Urmakare Aktiebolag, which roughly translates as Swedish watchmakers limited liability. The dial is in beautiful condition and the ornate hands are a most attractive feature. PRICE INCLUDES WORLDWIDE POSTAGE
