Description

For sale is a 19th Century French Walnut Rococo Bedroom Suite comprising two door armoire, double bed and a pot cupboard. The top of the armoire has an ornate cockleshell carved pediment, above two mirror doors opening to reveal ample hanging space, standing on squat carved cabriole legs. The bed too has a cockleshell carving to the top of the headboard. There is a minor piece missing to the bottom of the left hand door but we feel this is not detrimental to the piece. Other than this, the suite is in good condition with average wear commensurate with age and use. Width: 46.5" Depth: 18.5" Height: 92"
